

IPWMAN Membership Investment Schedule

The annual membership investment is determined by the population** served by a member agency, based on the following rates:

Population	Annual Investment
Less than or equal to 15,000	\$100.00
15,001 to 75,000	\$250.00
75,001 and over	\$500.00

The first year's membership investment is prorated based on the quarter in which a new member joins IPWMAN, as outlined in the table below. The annual rate shown above will apply beginning in the second year and for each subsequent year thereafter.

First-Year Membership Investment: Prorated Quarterly Rates
